PARATECH®

LEAK SEALING KITS 22 PSI Working Pressure

22-891715 Tank, Pipe, and Drum Sealing Kit, Model 900

Qty.	Part #	Description
1	22-891725	6" x 6" leak sealing bag
1	22-891730	6" x 12" leak sealing bag
1	22-891735	10" x 10" leak sealing bag
1	22-891740	15" x 21" leak sealing bag
1	22-891745	24" x 24" leak sealing bag
2	22-891775	4' wrap around velcro strap
3	22-891779	8' wrap around velcro strap
1	22-890805	30' orange ratchet belt
1	22-890806	extension belt, 20' orange
1	22-890810	30' yellow ratchet belt
1	22-890811	extension belt, 20' yellow
2	22-890519	16 ft. orange hose
1	22-895720	single controller 22 bypass, w/2 couplings

22-891712 Tank Sealing Kit, Model 300

Qty.	Part #	Description
1	22-891740	15" x 21" leak sealing bag
1	22-891745	24" x 24" leak sealing bag
1	22-890805	30' orange ratchet belt
1	22-890806	extension belt, 20' orange
1	22-890810	30' Yellow ratchet belt
1	22-890811	extension belt, 20' yellow
2	22-890519	16 ft. orange hose
1	22-895720	single controller 22 bypass, w/2 couplings

22-891710 Tank Sealing Kit, Model 200

Qty.	Part #	Description
1	22-891745	24" x 24" leak sealing bag
1	22-890805	30' orange ratchet belt
1	22-890810	30' yellow ratchet belt
2	22-890519	16 ft. orange hose
1	22-895720	single controller 22 bypass, w/2 couplings

22-891705 Tank Sealing Kit, Model 100

Qty.	Part #	Description
1	22-891740	15" x 21" leak sealing bag
1	22-890805	30' orange ratchet belt
1	22-890810	30' yellow ratchet belt
2	22-890519	16 ft. orange hose
1	22-895720	single controller 22 bypass, w/2 couplings

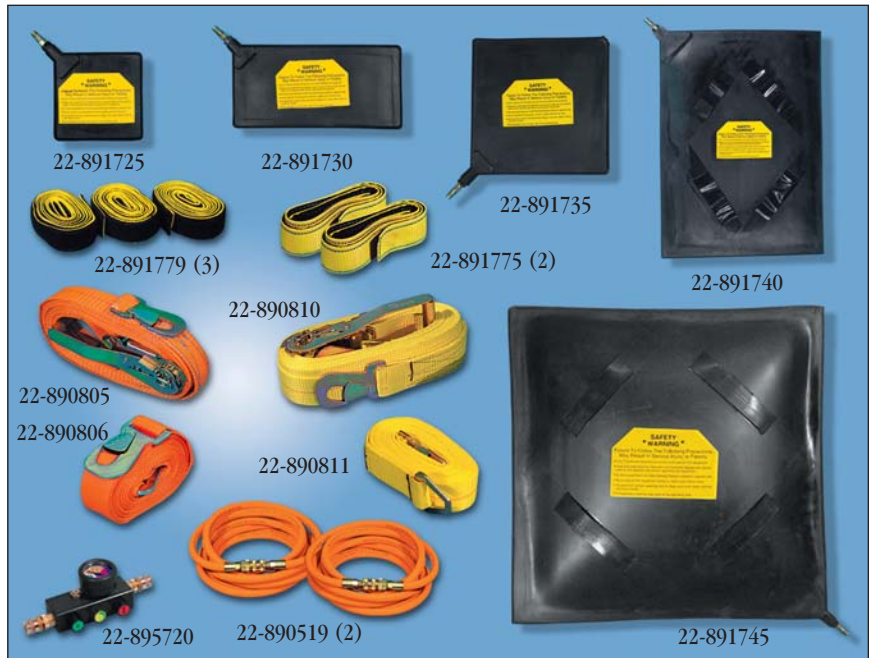

22-891703 Pipe & Drum 3 Bag Sealing Kit

Qty.	Part #	Description
1	22-891725	6" x 6" leak sealing bag
1	22-891730	6" x 12" leak sealing bag
1	22-891735	10" x 10" leak sealing bag
2	22-891775	4' wrap around velcro strap
3	22-891779	8' wrap around velcro strap
2	22-890519	16 ft. orange hose
1	22-895720	single controller 22 bypass, w/2 couplings

22-89700 Pipe & Drum 2 Bag Sealing Kit

Qty.	Part #	Description
1	22-891725	6" x 6" leak sealing bag
1	22-891730	6" x 12" leak sealing bag
1	22-891775	4' wrap around velcro strap
2	22-891779	8' wrap around velcro strap
2	22-890519	16 ft. orange hose
1	22-895720	single controller 22 bypass, w/2 couplings

Shut down liquid leaks on pipes... tankers... railroad tank cars quickly, simply and safely with Paratech's easy-to-use inflatable air bag sealing system. Just strap a Paratech chemical resistant* reinforced neoprene air bag over the leak... adjust and tighten the ratchet belts... and inflate.

* For specific information regarding chemical resistance of neoprene, refer to Paratech's chemical compatibility guide.

22-000715

LEAK SEALING PLUGS
Used by the U.S. Air Force, these tapered hardwood and neoprene plugs are excellent for controlling hazardous material leaks, both liquid and vapor. Neoprene plugs are molded to accept extension handles.

MANUAL AIR COMPRESSOR
Here is a simple, effective and economical compressed air source for use with all air bags.

22-800400

WORKING AIR CYLINDERS
Tough, Economical, and Ready To Work... Anywhere

Now you can have an economical air supply for air bags and air operated tools. Lightweight and sturdy, they'll do the job when and wherever you need them.
22-800013 13 cu. ft. with valve and gauge
22-800080 80 cu. ft. with valve and gauge
